#### Deck Descriptions

1. Hard Wired  
Deck Type: Combo

---

Deck Complexity: High

Omnitron takes flight. Gather up your artifacts through Gorgon Beam and Placebotron before hard wiring a swarm of flying bots to overrun your opponent's defenses.

## **2. Early Bird**

Deck Type: Aggro/Combo

Deck Complexity: Mid

You'll never fight alone... unless you're Rhaziel. Take to the assault zone early with Rhaziel to deal damage and clear the field before unleashing a slew of surprise attacks from Tyra and Sol to put your opponent back on their heels.

## **3. Aggravated Assault**

Deck Type: Aggro

Deck Complexity: Low

Sprint to the front and hit your mark quickly! Use the speed of the Flame Dawn to deal quick damage before supporting your siege with an attack from above with Emberstarter & Higher Calling.

## **4. Primal Ramp**

Deck Type: Ramp/Mid Range

Deck Complexity: Mid

Start slow, finish strong. Harness the power of the Warpath's most hulking beasts with a defensively postured early game before ramping into a full on offensive with the likes of Dragon of the Autumn Wind & Helix Worm.

## **5. Impenetrable Dragon**

Deck Type: Morale/Combo

Deck Complexity: Mid

Never discount a strong defense. Hunker down for the long-game with unbreakable combos like Surprise Defense & Ao Shun, Heaven's Bell & Avatars, and much more.

## **6. Malignant Cycle**

Deck Type: Combo

Deck Complexity: High

Don't forget to recycle! Populate the battlefield with Rita's tokens early and drive your Malignants to the field as quickly as possible. Preoccupy your opponent's forces with recycled Malignants before dealing the final blow with Rancid.
