The 'entity' is a moist cold stinking cloud that nightly assumes a Chinese shape and the language of a dockhand as it/he plunges his quivering manhood into.. He believes she is se as do the other shrinks and tells her that she is hallucinating.. Hostage to the Devil A film was made of this and after I found this to be a well written story which seemed to offer the reader two ways of looking at the events taking place.. I thought the book would have so much more but surprisingly it didn't really have all that much more to give.. Among the skeptics is psychiatrist Dr So I just won't spoil it When I flipped the pages, I saw that it was indeed associated with the film, that it was, in fact, the book on which the film was based.. It is a shabby little tract house
